### Stamford Sights and Secrets Tours

#### 9 Mar to 28 Oct - Wednesdays and Saturdays at 11am

Join us on a 90-minute guided walking tour around beautiful, unspoilt Stamford - see the sights, discover the secrets and meet the faces behind the façade. Parts of the town centre have survived almost intact since medieval times, impervious to change going on all around. A seam of local limestone has given it a distinct look with great swathes of Georgian architecture, intertwined with Medieval, Tudor and Victorian influences. Explore Stamford's history, cobbled streets, and some of the six-hundred listed buildings en route. Of course, there's so much more to the past than gorgeous buildings. Come with us and you'll hear stories of the great and not so good of our beautiful South Lincolnshire market town. People make a place interesting!
